

THE HUMMINGBIRD

The Daly Review:

Our photo shoot was SO MUCH FUN! Once the pictures are available, we will send their website link with a password so that you can purchase them for \$14 a pop, and they will be delivered to you. These pictures will look amazing on our programs, websites, flyers and brochures. I was very proud of how professional everyone behaved during the photo shoot, and respectful they were to the campus.

A Quarter Note: Voice Lessons:

Rachel Morgan, Director of the BCII's, is offering private voice lessons to teens and adults! Anyone who is interested should contact Ms. Morgan at rachelhayne@gmail.com.

Fundraising Nitty Gritty:

- 1. Two Cash Raffles:** Good News: You have already paid for these two cash raffles with your tuition. MORE Good News: You can earn up to \$100 back by selling raffle tickets for the cash raffles!! Winners are announced after the intermissions of both the December and April Concerts.
 - 2. Extra Fundraisers:** Good news: These are optional and you do not HAVE to participate. MORE Good News: If you participate in these extra fundraisers, your chorus member will put some money aside into their own personal "ITA" Individual Travel Account. EVEN MORE Good News: The monies in the ITA rolls over every year that your child is a member. AND THE BEST NEWS: The monies can also be used towards your child's TUITION the following year!!! Not just for travel!
- Either way,** these fundraisers are designed to help the chorus organization, help you to earn back some money, and your child learns about the importance of a savings account where they can contribute to some of their tuition.
