Chorus membership is a September through April commitment. Because choral singing is a team endeavor, it is extremely important for parents and Chorus members to understand that membership in the Chorus requires a high degree of commitment. Rehearsal attendance on Tuesday evenings and performance attendance are basic requirements. Also, consider that a place in the Chorus given to your child means another child may not be accepted. During the initial audition and acceptance process, carefully consider these factors.

Please read and sign the following:

I understand that belonging to Children's Chorus of Carroll County involves engaged participation, dedication and commitment from September until the end of April. I am willing to make membership a high priority during that time period.
