## “The Daly Review” of FAQ:

### **Commercial by Mrs. Im:**

Please be sure to visit us on Facebook to see Mrs. Im's commercial about what virtual choral experience will be like with us! It is informative, fun, and designed to open your eyes to a whole new way of teaching music virtually. Thank you, Mrs. Im!!

### **New Billing System:**

This new way of payment allows you to create the installments that you wish to create. The total amount of money is due by October 12<sup>th</sup> and you can choose how much to pay each week either through your credit card or direct deposit through your bank.

### **Tuition:**

Our tuition is a very little amount compared to other activities like Karate, Soccer, and Dance Troups. Our tuition lasts for the entire school year and includes about 30-40 rehearsals. Dividing these rehearsals by the amount of tuition, our rehearsals cost about \$10-\$14 depending on which choir your child participates.

### **In Person Possibilities:**

We are considering holding “Socially Distant” events with some groups here and there. These gatherings would require hand sanitizer, masks, and 6’ between the students at all times (siblings are not included in the 6’ rule). Some choirs are singing outside, and this could even be a possibility. We will explore that option when we see how many students are in each choir and we have asked the parents about their level of comfort with this idea.

## Early Childhood Music Classes:

### Materials Pick Up: Sept 1, 2020!

Mark your calendars to join us at the Grace Lutheran Church in Westminster, MD to pick up your child's music and red polo. For returning families, your child will hold onto their binder of music from last spring with hopes that we can continue that music this coming spring. Make sure that if your child currently owns a red polo that they try it on before Sept 1<sup>st</sup>. If they think that it is the wrong size, they are welcome to trade them in for another size that evening. Please see the diagram below to understand what entrance to take so that you are in the correct carpool line to pick up your child's materials.
