

THE HUMMINGBIRD

"The Daly Review":

Your kids just amazing us! They are learning with us and working so very hard. The recording process has begun and we are on track for our Concert on December 20th at 3pm!

The Optional Event to video tape "Silent Night" with a drone was a wonderful success. The footage that we received is awesome and the video is coming along. Mrs. Im has done a beautiful job editing this video both with the drone cinematographer Braedan Dillon, and with the Westminster Ringers. Mrs. Jones wrote a Chimes arrangement for the Westminster Ringers to play for this special concert, and Mrs. Im went to their rehearsal to capture video and audio of their playing. I am so excited for everyone to see Mrs. Jones and Mrs. Im's hard work!

Parents, please provide your chorus member with the support that they need during this recording and video process. A quiet space for 20 minutes as they record is a huge help to your student and to the director as we edit their work. Plus, words of encouragement always feel good from family members listening nearby!

Chorus Member Program Flier

Who wants to create our Concert Program Flier?

Artistic Chorus Members who are interested in creating our Concert Flier Cover are welcome to make creations by hand, use photography, and digital art.

The theme should be winter in order to include all Holidays that take place in the month of December.

Verbiage that must be included in the artwork:

- Our Name: Children's Chorus of Carroll County
- Date: Sunday, December 20, 2020
- Time: 3:00pm
- Location: Facebook LIVE
- If possible, our logo. To receive the logo, right click on our logo on the home page of our website, "Save image as," and download it to your computer.

The winner's image will be shared on social media, used within our pre-recorded concert, and fliers of their artwork will be displayed throughout Carroll County.

The Board of Directors will vote on the winning artwork, so entries are **due by Tuesday, December 8, 2020.**
