

THE HUMMINGBIRD

“The Daly Review”:

We are so very excited to welcome back our many members of the Chorus, returning and new! The Directors have heard many beautiful voices and we are proud to say that we have accepted more students to bring our total number of members up to 90, which is 20 more than our previous season. If we can accept 15 more within the next year, we will be back to where we were pre-pandemic. We look forward to receiving everyone for our first night of rehearsal on Tues, Aug 30th! The Grace Lutheran Preschool is holding an Orientation that same evening and we have agreed to not interrupt their event that will take place in the Grace Hall. Returning parents, we ask that you please park across the street (Carroll St.) from the church and park in that parking lot. New parents, park where you see fit. Using both parking lots will help relieve some of the congestion from the preschool parents. Everyone will enter through the glass double doors on Carroll St. and find the sign in tables. We will establish our regular routine starting Sept 6 once the preschool orientation is over. For those of you who have emailed about tuition invoices, please do not stress. Some have been emailed and some are still being completed. These invoices will lead you to an online payment that you can pay at your own time. Our Executive Director and Financial Manager, Jacie Mathias, will answer any of your questions or concerns in person on Aug 30 or you are welcome email her at JMathias@carrollcommunityfoundation.org

See you soon!

Welcome, Mr. Tamba Giles!

Our organization is so very proud and excited to announce that Mr. Tamba Giles will be taking on the LPV choir this coming 2022-2023 Chorus Season! Mr. Giles currently teaches at Sandymount Elementary School. He is loved by every student and by every colleague that he encounters. Mr. Giles is originally from Houston TX and graduated from Prairie View A&M University. He has won awards as a music educator, performed in many places like Philadelphia's Kimmel Center, and recently was awarded Carroll County's Outstanding Teacher's Award 2022. These LPVs are in for a real treat working with the famous Mr. Giles of Carroll County Public Schools! He has also been asked to be the teacher of the MJ Class depending on registration minimum of six. We are hopeful for a full class so that his talent will nurture future LPVs! Welcome, Mr. Giles!
