

THE HUMMINGBIRD

"The Daly Review":

The month of October was full of fun, music, and laughter as we enjoyed gathering together for rehearsals dressed in either our formal uniforms or Halloween costumes. November brings our 5 final Tuesday rehearsals before our December Concert. Any visual artists who would like to share their talents, we are looking for artwork to display on the front cover of our December Program which will also be used for advertising. You will also see that we have many fundraisers with which you are welcome to participate. If you find yourself going out to eat on those particular evenings, the Chorus will also benefit from your outing!

Texas Roadhouse Fundraiser:

The Chorus will get 10% of all sales from this Fundraiser that starts this Tuesday through November 15th. All checks should be payable to the Children's Chorus. There are over 500 Texas Roadhouses in the country so they can sell to anyone! Here is the [order form](#), [details](#), and [incentive](#) documents. The gift cards will even have our Chorus logo on them. Please consider this fundraiser, the holidays are right around the corner!

Royal Hospital School Performance, Oct 20!

We came together as a community and made an impact with one another, with members of the Carroll County community, and with members from outside of the US! The RHS Band certainly started us off with a bang and my favorite part was watching all of our Chorus Members' heads turning to one another as they realized the song was from "Pirates of the Caribbean". The amount of toe-tapping that I heard from the children as Mr. Walt Michael played was impressive because they kept the steady beat, not speeding up the performer, and we added to the performance as our own percussion section! The children sounded splendid in their two pieces: just full of joy and life! Our Founder, Mrs. Jones, introduced us to the audience with such elegance, Mrs. Benson played with excitement, and even the audience sounded beautiful singing in a spontaneous round. The Jazz Trio knocked our socks off and the drummer literally knocked his shoes off! The RHS Choir had such a gorgeous sound with vowels that we often strive for, so they were a wonderful display for our choir members to see and hear live. We are grateful to Jude (LPV) and Violet's (DB) Mom who works at the First Presbyterian Church and hosted us last night. Thank you again to all of the families who donated cookies for our event! We had enough for everyone in the room and they were well deserved after such fine musicianship. The Choir Coordinators who were present chipped in where needed, the Daly Double were spotted leading the audience to the Sanctuary, and Jacie printed programs that turned out beautiful! This is why we do what we do!! We develop attitudes that will perpetuate lifetimes of singing!
