

THE HUMMINGBIRD

"The Daly Review":

We have so much to catch up on!! November went by so quickly, we did not get to say a special thank you to the LPVs for performing for the Carroll Lutheran Village community and the Estonian Trio. The evening opened with our sweet LPVs displaying their repertoire from the December concert and then the rest of the performance was Jazz in multiple languages from a singer, bass player, and upright bass player. To connect through music was beautiful! We would also like to thank the DBs for coming early to our Photo Music Workshop in order to perform for the 11am service at the Grace Lutheran Church. The congregation makes a point to come and hear you sing. You make them so proud knowing that their church helps our organization to create such beautiful music from such wonderful children. Our BC1s ended the December season by performing for the Shepherd Staff Benefit Concert at the Crossroads Church. Thank you, parents, for dedicating your Holiday Saturday to this event.

Caroling for the Westminster Historic Society was fun with 5 chorus members and we got to meet the Mayor of Westminster. But Miracle on Main Street was SOOOOO COLD! We already had 4 children signed up to audition (who are our new LPVs and 1 DB!), but handing out 1,500 fliers did not gain us extra auditionees.

Either way, our December Concert was beautiful on December 8th. Thank you, parents, for bringing your children fully prepared in their formal uniform both days of our concert weekend. We are going to explore adding an extra step to the altar to bring our chorus members higher on the stage. Mrs. Daly needs to start editing the many videos, she thanks you for your patience.

January started with a snow day, but we picked up where we left off on January 14th with so many smiles. It was apparent that we all missed each other! Please take a moment to look at the updated calendar in the next column. You will see that our fundraising chair has added Chick-Fil-A restaurant nights, and our BINGO is ON! Hershey Park's adjudication is for BC1s and BC2s, but we are happy to include community members too if they would like to join in the fun with a discounted ticket.

Discussions with Daly is an opportunity for you to sit down in an informal setting and let Mrs. Daly catch you up on Chorus business and she will bring your feedback to the Board with suggestions and ideas. We want to bridge the gap between the Board and the parents. And we have added Father's Day, June 15th, to our calendar because we have been invited to sing the National Anthem! We need at least 15 singers in order to perform, so keep your eyes open for our sign up that will be available within the next few weeks.
